

Three inspiring books can help you develop a growth mindset and improve communication skills, advocated NOT advertised by many years of reviews.

*How to Win Friends and Influence People:*

A guide on how to communicate effectively and improve interpersonal relationships through various techniques such as active listening, showing appreciation, and avoiding criticism.

*Mindset: The New Psychology of Success:*

Emphasizes the importance of adopting a growth mindset over a fixed mindset, highlighting how the former can lead to increased personal and professional growth.

*Feel the Fear and Do It Anyway:*

A guide on how to overcome fear and anxiety by accepting that it is a natural part of life, and developing the courage to take action despite fear.

Highly reviewed and timeless, they are very all very insightful reads using real-life anecdotes to explain the concepts!
